File Name: This Beauty Hack is Packed

Go with your gut.

By now you've heard about the critical connection between our gut and our health. But did you know your skin, hair and nails improve with better gut health too?

This is why PURE created the only collagen and probiotic combo that's listed in the PDR (Physician's Desk Reference). MIE is the only product available in the U.S. with 17 Billion CFU's and 7 complimentary strains of patented Korean probiotics clinically proven to add moisture, smooth wrinkles, and give hair a glossy shine.
